6 Globe Wall Squiggle *by Daniel Shapiro*

Contemporary

United States

The Wall squiggle is hand-built with California stoneware using a combination of ceramic techniques. Elements of the lamp are thrown on the wheel or extruded then painstakingly assembled to create a one-of-a kind form.

While each Wall Squiggle is similar in concept they are all completely unique in form and finish.

Dimensions: 34" W x 26" H

Materials: Stoneware, Gold Luster, and Glass

Item Number: LW-DS-WL-SQGGL-6
