

## Crown

by Barovier&Toso

*Contemporary*

Italy

A collection that pays tribute to and enhances one of the characteristic features of the chandeliers of the Venetian tradition, the "pastorale": a small rod terminating in a spiral, made with the "rigà menà" technique. Forcefully enlarged, suspended upside-down and replicated in a series, this piece becomes the protagonist of suspension lamps with a modern minimalist design. Available in three different configurations (one, two or three-tiers).
