

COUP D'ETAT

Floor Lamp *by Daniel Shapiro*

Contemporary

United States

The Floor Lamp is hand-built in Shapiro's studio from California Stoneware and stands over 6 feet tall. Comprised of 20 bulbs housed by ceramic tubing that chaotically wraps around the body of the piece, it's topped off with a 12" globe that bathes the surrounding space in warm light. The lamp has a commanding presence in any room and serves as the embodiment of its maker's vision as form collides with function.
