

COUP D'ETAT

Flush Mount
by Daniel Shapiro

Contemporary

United States

The Flush Mount is hand-built with California stoneware using a combination of ceramic techniques. Elements of the lamp are thrown on the wheel or extruded then painstakingly assembled to create a one-of-a-kind form.

While each Flush Mount is similar in concept they are all completely unique in form and finish.

Dimensions: 26" Dia. x 7" H

Materials: Stoneware

Item Number: LW-DS-FLSH-MNT-1

Price Upon Request
