

COUP D'ETAT

Large Chandelier *by Daniel Shapiro*

Contemporary

United States

The Large Chandelier is hand-built with California stoneware using a combination of ceramic techniques. Elements of the lamp are thrown on the wheel or extruded then painstakingly assembled to create a one-of-a-kind form.

While each Chandelier is similar in concept they are all completely unique in form and finish.

Dimensions: 38" W x 26" D x 12" H

Materials: Stoneware

Item Number: LC-DS-LG-CHNDLR

Price Upon Request
