Large Wall Squiggle *by Daniel Shapiro*

Contemporary

United States

The Wall Squiggle is created from over 30 feet of extruded stoneware tubing and features 9 recessed bulbs. Elements of the lamp are thrown on the wheel, extruded and coiled. Once created the components are painstakingly assembled to create a one-of-a kind form. While each Wall Squiggle is similar in concept they are all completely unique in shape and finish.

Dimensions: 34" W x 26" H
