

COUP D'ETAT

Leonidas Folding Screen

by Agrippa

Contemporary

Spain

Leonidas is a modulation game. From a single cell and its Cartesian and simple repetition, he manages to form his own speech. Leonidas is a wall of poetry, a wall of chiaroscuro that articulates space and modulates light.

Dimensions: 79" W x 2" D x 69" H
19.75" Per Panel (4x)
