Lil' Noodle Lamp *by Daniel Shapiro*

Contemporary

United States

The Lil' Noodle Lamp is hand-built using California stoneware through a combination of techniques. Elements of the lamp are extruded then painstakingly assembled to create a one-of-a-kind form.

While each Noodle Lamp is similar in concept the process of building the lamps is its own creative journey resulting in a completely unique piece. Its petite size makes the Lil' Noodle Lamp perfect on a night stand or side table.
