

## Prometheus IV Table Lamp Quartz Base

*by* Christopher Boots

*Contemporary*

Australia

Prometheus stole fire from the Gods of Mt Olympus and gave it to humankind. More than the means for survival- light and technology, Prometheus' gift represented creative potential. The spark of creation, previously limited to the Gods, gave mortals the power to dream, to create, to imagine and challenge.

PROMETHEUS IV TABLE LAMP is an implosion of blazing crystal quartz, venerating its namesake in a ring of flame.

Rose Quartz  
Smoky Quartz

**ADDITIONAL:**

Prometheus IV Table Lamp is a solid fixture that will require very little maintenance over the years.

If your Prometheus IV Table Lamp is treated with care, it will shine brightly for many years to come.

Quartz is a mineral formed by the Earth. Each crystal piece will be unique due to natural variation of size, shape, colour and clarity.
