

COUP D'ETAT

EQUINOX NO.2 *by* Rose Gold Society

Contemporary

United States

The Equinox Chandelier is a nod to kinetic 20th-century modern lighting with a hand-formed metal frame, reeded or smooth glass tubing, and hand-poured resin LED diffusers. A refined study of lines and sinuous curves, the Equinox is available in a wide variety of sizes and finishes. Installation by the artist's studio or by an expert installer with remote support is recommended.

Custom compositions, sizes, and finishes are available.

Dimensions:

135" in x 91" x 55" (approx.)

Materials:

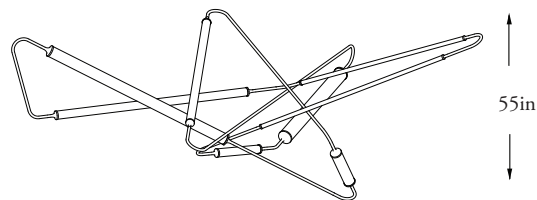

Hand-formed brass tubing, reeded glass tubing, & resin LED diffusers.

Item Number:
