## EQUINOX NO.3 *by* Rose Gold Society

*Contemporary*

United States

The Equinox Chandelier is a nod to kinetic 20<sup>th</sup>-century modern lighting with a hand-formed metal frame, reeded or smooth glass tubing, and hand-poured resin LED diffusers. A refined study of lines and sinuous curves, the Equinox is available in a wide variety of sizes and finishes. Installation by the artist's studio or by an expert installer with remote support is recommended.

The Equinox no. 3 can be made in a horizontal or slanted format, It can be scaled larger to 12 ft, and it can be ordered as a mirrored symmetrical pair.

Custom compositions, sizes, and finishes are available.
