

PROMETHEUS II LINEAR

Prometheus stole fire from the Gods of Mt Olympus and gave it to humankind. More than the means for survival- light and technology, Prometheus' gift represented creative potential. The spark of creation, previously limited to the Gods, gave mortals the power to dream, to create, to imagine and challenge.

PROMETHEUS II LINEAR is an explosion of blazing crystal quartz, venerating its namesake in a channel of flame.

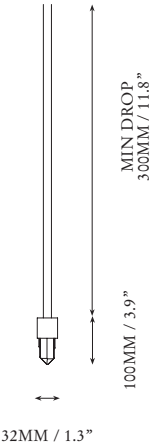

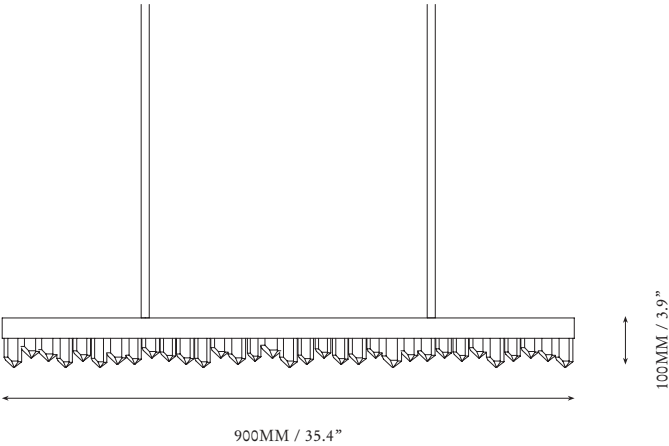

Prometheus II Linear finished in Aged Brass & Clear Quartz.
