

PROMETHEUS I

Prometheus stole fire from the Gods of Mt Olympus and gave it to humankind. More than the means for survival- light and technology, Prometheus' gift represented creative potential. The spark of creation, previously limited to the Gods, gave mortals the power to dream, to create, to imagine and challenge.

PROMETHEUS I is an ascending blaze of crystal quartz, venerating its namesake in a ring of flame.

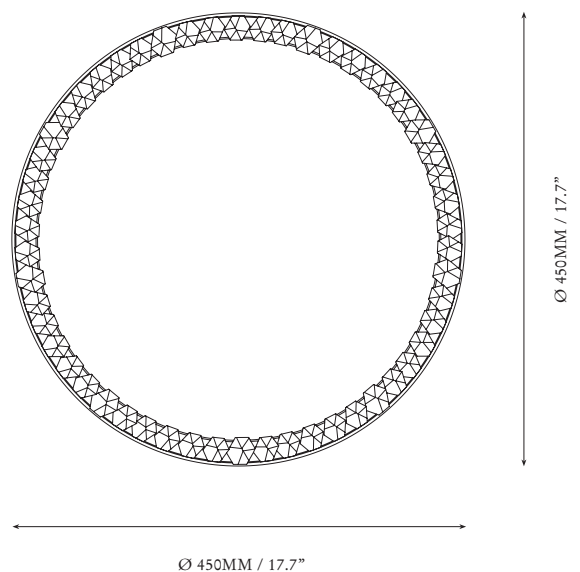

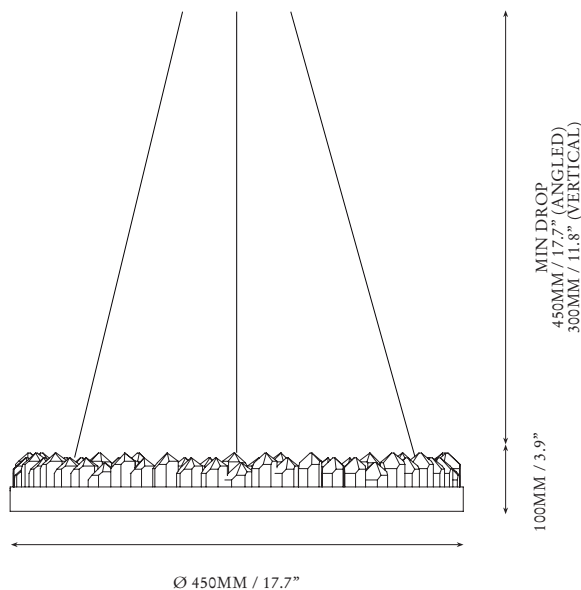

Prometheus I 900 finished in Hand Rubbed Brass & Clear Quartz.

PROMETHEUS I
