ADONIS

Marcel Wanders Studio

Adonis è una collezione creata da Marcel Wanders, ispirata alla tradizione floreale olandese e contaminata da quella vetraria muranese che, da sempre, usa i fiori come elemento distintivo. Leggiadre farfalle e boccioli di tulipano adornano i bracci di tutti i modelli, in un vortice di colori. Si compone di sei lampadari, di due diverse fogge, che possono essere combinati tra loro in un sistema modulare ad elevata personalizzazione e di una lampada da parete.

Adonis is a collection created by Marcel Wanders, inspired by the Dutch floral tradition and fused with Murano glassmaking, which has always used flowers as a distinctive feature. Graceful butterflies and tulip buds adorn the arms of every model, in a swirl of colour. It is comprised of six chandeliers in two different styles that can be combined in a modular system for the ultimate in personalization and of one wall sconce.
