HANAMI

Come in un'opera d'arte moderna lo stesso elemento è ripetuto e moltiplicato quasi all'infinito. Una ripetizione seriale di una semplice forma modulare che genera un volume organico ed omogeneo. Ma in realtà ogni singola bolla non è mai perfettamente identica a sé stessa; la soffiatura e la lavorazione a mano rendono i multipli simili ma mai uguali rendendo unica ogni composizione.

As in a modern artwork, the same element is repeated and multiplied almost infinitely. The reiteration of a simple modular form generates an organic, homogenous volume. Actually, the individual bubbles are never quite the same; the glassblowing technique and handwork make the multiples similar but never equal, meaning that every composition is truly unique.
