VENEZIA 1295

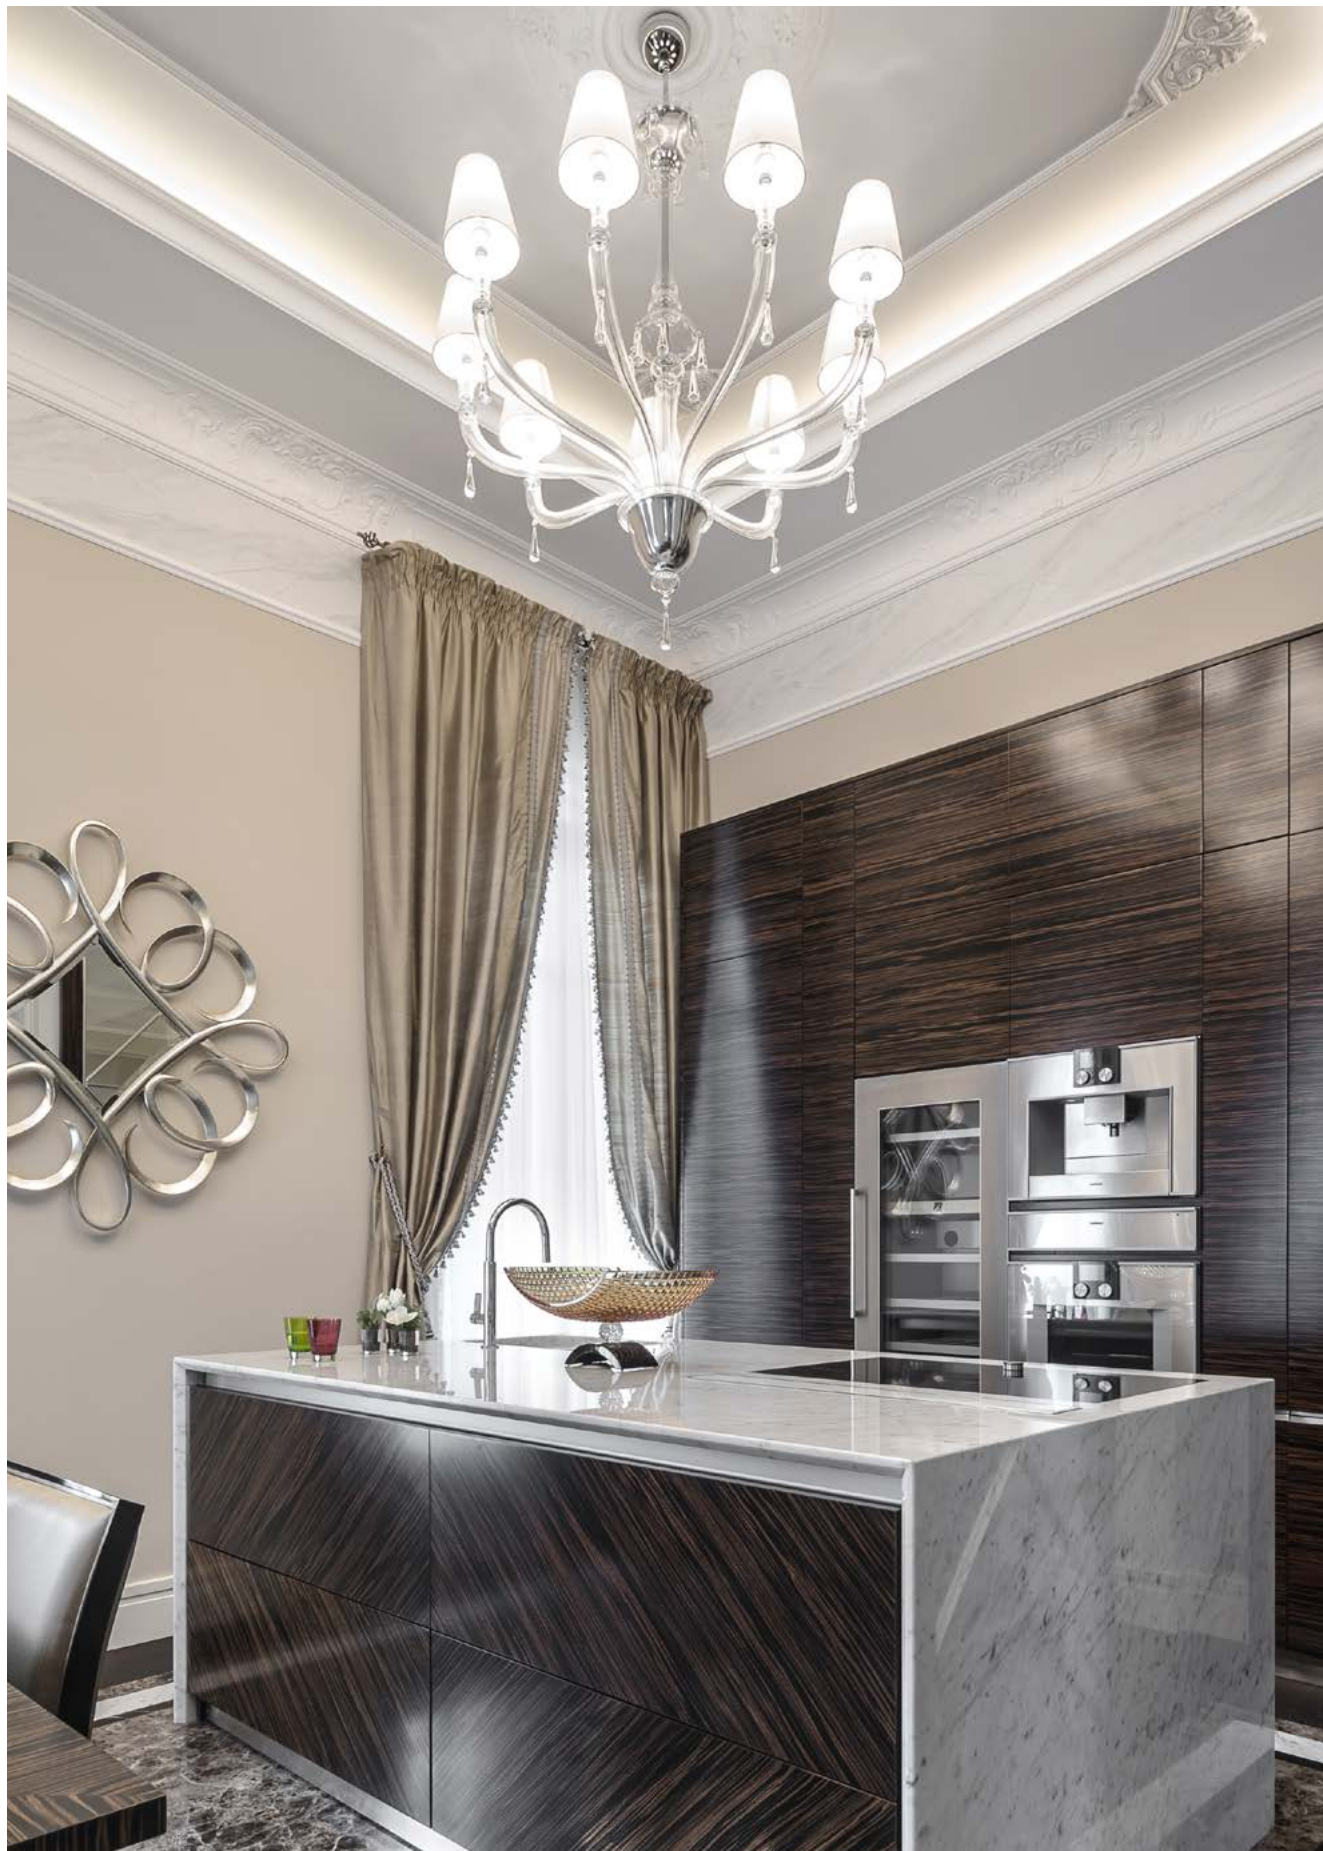

NEVADA

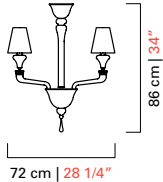

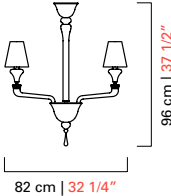

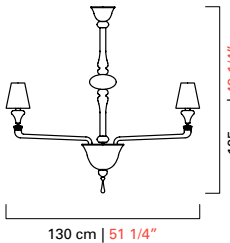

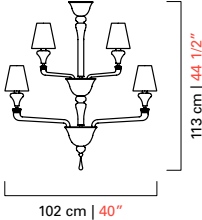

Arredare con una lampada in cristallo veneziano di questa collezione significa donare eleganza e carattere agli ambienti, anche se di stili differenti. L'elemento caratterizzante sono i bracci rettilinei quasi privi di curvature dai quali pendono esili e delicati pendagli a forma di goccia.

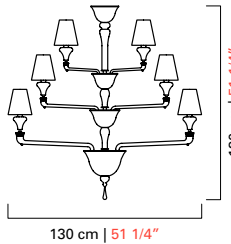

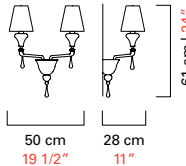

Decorating with a lamp in Venetian crystal from this collection means adding elegance and character to spaces, even when their styles differ. The rectilinear arms, almost without curvature, are the characteristic feature, supporting slender, delicate dewdrop pendants.
