

Mid-Century Willy Guhl Tapered Planter
by Willy Guhl
Switzerland
circa Mid-20th Century

34" Dia. x 16.5"H
AC-XX-I222-02
\$2,900

A classic design by Willy Guhl, this mid-century tapered planter features his signature fiber cement construction and graceful conical form. Weathered surfaces and original patina highlight the timeless simplicity and sculptural presence of Guhl's work.
