VENEZIA 1295

OPÉRA

Philippe Nigro

Opéra è una collezione di lampade ispirata all'Opéra Garnier, in cui l'elemento principale è la lavorazione del rostrato. La forma cilindrica va ad enfatizzare il motivo ornamentale, moltiplicando gli angoli di incidenza dei raggi luminosi e creando un fitto involuppo di punte tridimensionali. Alle creazioni in Cristallo Veneziano sono abbinati elementi metallici dalla silhouette molto affine, che circondano e sostengono i corpi luminosi. Le sospensioni Opéra sono disponibili in diverse varianti dimensionali, per sposare progetti di interior design di natura e portata differente: dagli spazi domestici fino ai grandi ambienti di rappresentanza e contract, dove è possibile realizzare delle vere e proprie installazioni personalizzate, con composizioni asimmetriche e multiformi.

Opéra is a collection of lamps inspired by the Opéra Garnier, where the main feature is the rostrato. The cylindrical form underscores the ornamental motif, multiplying the angles of impact of beams of light and creating a dense wrapping of three-dimensional points. The creations in Venetian Crystal are joined by metal parts with a very similar silhouette, which surround and support the luminous volumes: completely different textures, sharing a specific inspiration in their shapes and substance. The Opéra suspension lamps are available in different sizes, ready to be utilized in interior design projects of different types and scales: from residential spaces to contract applications, where it is possible to organize true custom installations, with asymmetrical and multiform compositions.
