22.9 L x 58.4 D x 39.4 H cm

**CUSTOMIZATION :**  
Custom dimension, wood  
species & finish

20% added cost for specific  
customizations

I've always considered furniture to be tools for living; objects which choreograph our behaviors and mediate our experience. A table as a meeting place, centering a home, trail benches framing the view of a vista. This work examines what new or multiple roles craft objects can occupy in a time of epochal shift. How the craftspersons role as a shaper of new modes of sensual corporeal interaction with natural materials can provide space for new perspectives, connection and collaboration.
