Custom dimension, wood species, cordage & finish

20% added cost for specific customizations

The Mira desk celebrates the natural growth of the tree from which it is crafted. The top is made from a single slab; joined and scribed to the natural curvature and graining of the tree. The front storage cabinet is a book matched piece of the crotch of the tree, a kaleidoscopic view emerging from the grain.

Modestly sized to be functional and seamlessly dovetail into a home office, study or studio.
